

## **Amsterdam Dance Event announces first festival acts for 20th edition**

*In 20 years ADE has become a global clubbing destination and an international platform for electronic music culture*

**The Amsterdam Dance Event (ADE), the world's biggest club festival and business hub for electronic music, today reveals the first selection of artists that will perform from 14 to 18 October. The ADE is preparing for its 20th anniversary edition with an expected 2,200 performing artists at one hundred of the most diverse venues in Amsterdam. The organization is expecting 365,000 visitors from all over the world.**

### **International platform for electronic music**

The ADE, founded in 1996 as a conference and festival, has become an international platform that connects both the music industry and music lovers. Besides the business aspects of the event its extensive music, film and art program covers the global electronic music culture.

### **Biggest club festival in the world**

The ADE is the biggest club festival in the world with performances by 2,200 artists at 300 events spread over 100 venues. The five-day music program covers all things electronic music. Currently over 500 artists are confirmed.

## **About ADE**

In the past twenty years ADE has grown into a globally renowned platform for the international dance and electronic music scene. The festival is the perfect place to spot the latest musical trends and emerging talents, as well as hearing the most recent work of both electronic music pioneers and current superstar acts. In addition to the extensive live line-up of the ADE Festival, the ADE Playground offers music enthusiasts a large and varied daytime program including exhibitions, in-store promotions, pop-up stores and film screenings all over the city center. The business aspect of the event (ADE Conference) is recognized as the most important of its kind, presenting a broad range of conferences and networking opportunities that focus on music and technology, VJs & visuals, sustainability, dance & brands, harder dance styles, new talent and the education of students.
